The Rotary Club of Nelson is part of a worldwide organization of men and women who believe that their business and profession should serve their communities and promote international understanding. One of the local Rotary projects is to provide scholarships to high school students. These scholarships are supported through Rotary Club fundraising and from the Rotary Circle Foundation. The Circle Foundation funds are created from generous donations from private donors, Rotary Club members and major donations from the Reg Dill and Drs. Ken and Marion Muth Families.

In keeping with Rotary's principles, the criteria for awarding these scholarships is a good school record in a variety of subjects as well as strong evidence of leadership and service to school or community. This good school record may be academic, trades & technologies or in the arts. Financial need is also a factor. Muth Family Scholarships are directed towards students who have shown a particular aptitude in the arts or involvement in community service.
